BADLANDS – BRUCE SPRINGSTEEN

INTRO

ESTROFA 1

Lights out tonight, trouble in the heartland
Got a head-on collision smashing in my guts man
I'm caught in a crossfire that I don't
understand But there's one thing I know for sure
I don't give a damn for the same old played out scenes
I don't give a damn for just the in-betweens
Honey, I want the heart, I want the soul, I want control right now

PUENTE 1

talk about a dream, try to make it real You wake up in the night with a fear so real
You spend your life waiting for a moment that just don't come
don't waste your time waiting

ESTRIBILLO 1

Badlands, you gotta live it every day
Let the broken hearts stand as the price you've gotta pay
keep pushing till it's understood these badlands start treating us good

ESTROFA 2

Working in the field till you get your back burned
Working 'neath the wheels till you get your facts learned
Baby, I got my facts learned real good right now
Poor man wanna be rich, rich man wanna be king
And a king ain't satisfied till he rules everything
I wanna go out tonight, I wanna find out what I got

PUENTE 2

I believe in the love that you gave me I believe in the faith that could save me
I believe in the hope and I pray that some day it may raise me above these

ESTRIBILLO 2

Badlands, you gotta live it every day
Let the broken hearts stand as the price you've gotta pay
keep pushing till it's understood these badlands start treating us
good whoa whoa

SOLOS GUIT & SAX + INTERLUDIO

For the ones who had a notion, a notion deep inside
That it ain't no sin to be glad you're alive
I wanna find one face that ain't looking through me
I wanna find one place, I wanna spit in the face of these

ESTRIBILLO 2

Badlands, you gotta live it every day
Let the broken hearts stand as the price you've gotta pay
keep pushing till it's understood these badlands start treating us
good whoa whoa
Badlands, whoa whoa whoa x4
