

## BADLANDS

Bruce Springsteen

Lights out tonight, trouble in the heartland  
Got a head-on collision smashing in my guts man  
I'm caught in a crossfire that I don't understand  
But there's one thing I know for sure

I don't give a damn for the same old played out scenes  
I don't give a damn for just the in-betweens  
Honey, I want the heart, I want the soul, I want control right now  
talk about a dream, try to make it real  
You wake up in the night with a fear so real  
You spend your life waiting for a moment that just don't come  
don't waste your time waiting

Badlands, you gotta live it every day  
Let the broken hearts stand as the price you've gotta pay  
keep pushing till it's understood  
these badlands start treating us good

Working in the field till you get your back burned  
Working 'neath the wheels till you get your facts learned  
Baby, I got my facts learned real good right now

Poor man wanna be rich, rich man wanna be king  
And a king ain't satisfied till he rules everything  
I wanna go out tonight, I wanna find out what I got  
I believe in the love that you gave me  
I believe in the faith that could save me  
I believe in the hope and I pray that some day it may raise me above these

Badlands, you gotta live it every day  
Let the broken hearts stand as the price you've gotta pay  
Keep pushing till it's understood  
these badlands start treating us good

whoa whoa whoa whoa

For the ones who had a notion, a notion deep inside  
That it ain't no sin to be glad you're alive  
I wanna find one face that ain't looking through me  
I wanna find one place, I wanna spit in the face of these

Badlands, you gotta live it every day  
Let the broken hearts stand as the price you've gotta pay  
Keep pushing till it's understood  
these badlands start treating us good

whoa whoa whoa whoa

Badlands, whoa whoa whoa whoa  
Badlands, whoa whoa whoa whoa  
Badlands, whoa whoa whoa whoa  
Badlands, whoa whoa whoa whoa
